1ST ASST.: STEVEN ERBISCH

(906)-370-4450

FOR SALE

250 Gallon Skid Unit for pickup with 8-foot bed.

Built in 2006 by Red Power Diesel in Fremont Wi.

See attached spec sheet and photos – everything works as it should – this is an excellent Skid Unit – it has performed very well for us. It was replaced with a new Brush truck in December 2023. (Photos on our FB page)

Additional information:

Hannay booster hose reel with 200 Ft. of red rubber 1 inch hose – 12V DC electric rewind with manual crank back up – Hose roller and spool assembly.

2 Collins FX-12 combination flood/spot lights mounted to illuminate the entire pump area

Hose storage area on top for 1.75" hose

Asking \$15,000.00

For further information or to schedule a time to see the unit call Chief Olson at number above.
